

**Why worry?**

**There are only two things to worry about. Either you are well or you are sick.**

**If you are well there is nothing to worry about. If you are sick there are only two things to worry about. Either you will get well or you will die.**

**If you get well there is nothing to worry about, but if you die there are only two things to worry about. Either you will go to heaven or to hell.**

**If you go to heaven there is nothing to worry about, but if you go to hell you´ll be so damned busy shaking hands with friends you won´t have time to worry.**

**My heartfelt condolences**
